

2nd Vice President

Michael Pye: I was an elected member of Sheffield City Council for 26 years until I stood down in 2010. Most of which time I was involved in the Arts & Museums Sectors as the Lead Member.

I was the Chairman of the MLA's Yorkshire Regional Council for ten years and served on the MA's National Council for around 20 years being its Institutional Vice-President twice. I remain an individual member of the MA and of ICOM

I am a Trustee on a number of museums both locally and regionally

I am a passionate supporter of museums and have always promoted their fundamental importance in our cultural and social life and, therefore I bring to the board a wide experience of museums and their impact on their communities
